

RANI DURGAWATI VISHWAVIDYALAYA JABALPUR (M.P)

ORDINANCE NO. 11 DOCTOR OF PHILOSOPHY

Revised in light of the University Grants Commission (Minimum Standards and Procedures for Award of Ph.D. Degree) Regulations, 2022 notified in the Gazette of India by the University Grants Commission, New Delhi on November 7, 2022

(As per UGC Notification No. F.4-1(UGC-NET Review Committee)/2024 (NET)/140648 dated March 27, 2024/7)

1. The Ordinance shall come into force with effect from the date of its notification by UGC in Gazette. With the enforcement of this ordinance, existing ordinance shall be repealed.

2. No Ph.D. scholar shall join any other course/study or appear in any other examination leading to a diploma/ degree, except certificate course(s), during his/her Ph.D. programme.

3. Eligibility:

The candidates who have completed either one of the following are eligible to seek admission in the Ph.D. programme:

(i) 1-year/2-semester master's degree programme after a 4-year/8-semester bachelor's degree programme or a 2-year/4-semester master's degree programme after a 3-year bachelor's degree programme or qualifications declared equivalent to the master's degree by the corresponding statutory regulatory body, with at least 55% marks in aggregate or its equivalent grade in a point scale wherever grading system is followed or equivalent qualification from a foreign educational institution accredited by an assessment and accreditation agency which is approved, recognized or authorized by an authority, established or incorporated under a law in its home country or any other statutory authority in that country to assess, accredit or assure quality and standards of the educational institution.

Provided that a candidate seeking admission after a 4-year/8-semester bachelor's degree programme should have a minimum of 75% marks in aggregate or its equivalent grade on a point scale wherever the grading system is followed.

(ii) M.Phil. Programme with at least 55% marks in aggregate or its equivalent grade in a point scale wherever grading system is followed or equivalent qualification from a foreign educational institution accredited by an assessment and accreditation agency which is approved, recognized or authorized by an authority, established or incorporated under a law in its home country or any other statutory authority in that country to assess, accredit or assure quality and standards of educational institutions.

A relaxation of 5% marks or its equivalent grade may be allowed in all above mentioned cases for those belonging to SC/ST/OBC (non-creamy layer)/Differently-Abled, Economically Weaker Section (EWS) and other categories of candidates as per the decision of the UGC from time to time.

4. A candidate shall ordinarily be permitted to work for Ph.D. Degree in the subject in which he/she has obtained his/her qualifying degree.

Provided that, research work leads to Ph.D. Degree may be allowed in allied subject of interdisciplinary nature of the same faculty or of allied faculties. In such cases, candidates may be permitted to work under one or two co-supervisors along with the supervisor.

5. Candidates shall be admitted through an entrance test followed by an interview. The students who have fellowship/scholarship through UGC-NET/ UGC-CSIR NET and other similar national level tests in relevant subject shall be exempted from the entrance test but they have to appear in the interview. The foreign students shall also be exempted from the entrance test but they also have to appear in the interview.

6. The university shall annually decide well in advance the number of seats available for Ph.D. programme in each subject. The university shall notify a prospectus in advance on its website specifying the number of seats for admission, subject/discipline-wise distribution of available seats, criteria for admission, the procedure for admission, examination centre(s) where entrance test shall be conducted and all other relevant information for the candidates.

7. While assessing the number of vacancies under a supervisor, the seat will be considered vacant on the actual date of submission of Ph.D. thesis under his/her supervision.

8. Procedure of Admission:

a. In response to the notification of the university, the candidate desirous of seeking admission to Ph.D. programme shall be required to submit application.

b. Candidates shall be admitted through the Doctoral Entrance Test (DET), which shall be conducted for each subject separately at the University Teaching Departments or other venues as decided by the University..

Provided that, the colleges which are approved research centres, shall be allowed to conduct the DET for the subjects not available in the University Teaching Departments.

Provided further that, the Vice Chancellor may assign to the allied or to any University Teaching Department to conduct the DET for the subjects available only in the colleges.

Note: The University may issue a separate admission notification for the candidates who are exempted from DET.

9. Research Advisory Committee and its Functions:

The Vice Chancellor shall constitute subject-wise Research Advisory Committee (RAC) comprising of the following members:

- | | |
|--|-----------------------|
| 1. Dean of the concerned faculty - | Chairperson |
| 2. Chairperson, Board of studies - | Member |
| 3. Head of the Department/ Principal - | Member & Co-ordinator |
| 4. One subject Supervisor from the UTD (if available) –
{To be nominated by the Vice Chancellor} | Member |
| 5. One subject Supervisor from a College / -
Research Establishment af available)
{To be nominated by the Vice Chancellor} | Member |

If the Dean of the faculty is not available, the Vice Chancellor shall appoint any other Dean or a Senior Professor of the University to chair the Research Advisory Committee.

Chairman and two other members shall form the quorum. In case quorum is not complete then the Vice Chancellor may nominate one or two subject experts in the relevant field(s) from the same university / other university to form the quorum.

**The functions of the RAC shall be as follows:**

1. To check the eligibility of the candidates qualified for interview to get admission in Ph.D. programme.
2. To conduct the interview of eligible candidates and finalize the list of selected candidates for admission in Ph.D. programme.
3. To recommend new Supervisor/ Co-Supervisor
4. To review the research proposal and finalize the topic of research.
5. To guide the Ph.D. scholar in developing the study design and methodology of research and identify the course(s) that he/she may have to do.
6. To periodically review the progress of the research work of the Ph.D. scholar and provide suggestions for further research.
7. Any other related work assigned by the Vice-Chancellor.

10. (a) Entrance Test:

The Doctoral Entrance Test will have the question paper in two parts. Part-A shall consist of 50 objective type compulsory questions of 1 mark each based on research methodology. It shall be of generic nature, intended to assess the research aptitude of the candidate. It will primarily be designed to test reasoning ability, data interpretation, and quantitative aptitude of the candidate. Part-A may be common within the same faculty. Part-B shall also consist of 50 objective type compulsory questions of 1 mark each based on the subject of the research. The syllabus of both parts of the question paper shall be approved by the concerned Board of Studies. The paper shall be prepared by a panel of examiners recommended by the Examination Committee of the concerned subject and approved by the Vice Chancellor.

The duration of the Doctoral Entrance Test will be of two hours. There will be no negative marking.

The candidates must score minimum 50% marks in the entrance test to qualify for the interview. A relaxation of 5% marks will be allowed in the Doctoral Entrance Test to the candidates belonging to SC/ST/OBC/differently-abled category, Economically Weaker Section (EWS), and other categories of candidates as per the decision of the UGC from time to time.

A list of the eligible candidates for interview shall be prepared including the candidates exempted from DET and qualified on the basis of the result of the Doctoral Entrance Test and the same list shall be submitted to the Registrar to notify.

DET score will be valid for two years or next consecutive DET, whichever is earlier.

(b) Interview:

The candidates either exempted from DET or have successfully qualified in the DET are eligible to appear in the interview. The interview shall be conducted by the Research Advisory Committee.

The candidates are expected to bring the No Objection Letter from the proposed Supervisor and Co-supervisor (if applicable) duly forwarded from the Head of the research centre (s).

The candidates are required to discuss their research interest / area through a presentation before the Research Advisory Committee. The interview/viva-voce shall also consider the following aspects, viz. whether:

1. The candidate possesses the competence for the proposed research;
2. The research work can be suitably undertaken at the research centre;
3. The proposed area of research can contribute to new/additional knowledge.

The evaluation in interview will be based on 100 marks to be allocated in the following criteria, each of 25 marks:

(i) Research plan

(ii) Research potential/ aptitude

(iii) Communication skills

(iv) Subject knowledge in the respective area of research

The Chairperson of RAC will allocate the marks in each of above criterion after consensus. In case of disagreement among the members the average of the marks given by individual member will be the final marks in the criterion.

After interview a common merit list will be prepared of all the candidates either exempted from DET or qualified for the interview through DET. The merit list will have 100% weightage of the marks obtained in the interview for the candidates exempted from DET and weightage of 70% of the marks obtained in DET and 30% of the marks obtained in the interview for the candidates who qualified for interview through DET.

The RAC shall decide the cut-off marks in the merit list for admission for Ph.D. for each category of the candidates - reserved or unreserved.

The RAC shall finalize the list of the candidates to be admitted to the Ph.D. programme in the concerned subject as per the merit and availability of seats. It shall also allot the Research centre, Supervisor, Co-Supervisor (if any), and approve the tentative area of the proposed research work. The final list shall be submitted to the Registrar for approval of the Vice- Chancellor. After the approval of the Vice-Chancellor, the list shall be notified.

Note:

- 1. While granting admission to Ph.D. programme, the RAC will pay due attention to the State Reservation Policy.**
- 2. The RAC should also see that only the predetermined number of students shall be admitted to Ph.D. programme.**

11. Eligibility of Supervisor/ Co-Supervisor:-

A regular teacher/ scientist who want to get himself/herself recognized as a Supervisor/Co- Supervisor shall apply in the prescribed format duly forwarded by the relevant Head/ Principal/ Director to the concerned research centre of the University.

Provided that, the regular teacher who has been recognized as Supervisor/Co-supervisor under the repealed ordinance shall continue to be recognized as Supervisor /Co-Supervisor.

The Research Advisory Committee shall recommend the person to recognize as Supervisor/ Co-supervisor as per eligibility criteria given below. RAC shall prepare the list of recommended Supervisors and submit to the Registrar for approval of the Vice-Chancellor. The approved list will be notified by the University.

Permanent faculty members working as Professor/Associate Professor in the University/ discipline specific P.G. Department of the College with a Ph.D. and at least five research publications in peer-reviewed or refereed journals and permanent faculty members working as Assistant Professors in the University/ discipline specific P.G. Department of the College with a Ph.D. and at least three research publications in peer-reviewed or refereed journals may be recognized as a Research Supervisor in the university where the faculty member is employed or in its affiliated Post-graduate Colleges/institutes. Such recognized research supervisors cannot supervise research scholars in other institutions, where they can only act as co-supervisors. The university will not enroll any Ph.D. scholar under the supervision of such a faculty member who is not an employee of the University or its affiliated College/institute/ recognized research centre.

For Ph.D. scholars working in Central / State Government's research institutions whose degrees are given by the University, the scientists in such research institutions who are equivalent to Professor/Associate Professor/Assistant Professor can be recognized as supervisors if they fulfill the above requirements.

Provided that in areas/disciplines where there is no or only a limited number of peer-reviewed or refereed journals, the University may relax the above condition for recognition of a person as Research Supervisor with reasons recorded in writing.

Co-Supervisors from within the same department or other departments of the same institution or other institutions may be permitted by the RAC.

Adjunct Faculty members shall not act as Research Supervisors and can only act as co- supervisors.

The allocation of the supervisor for a selected student shall finally be decided by the RAC in a formal manner depending on the available seats with the supervisor, the available specialization among the supervisors and the research interest of the student as indicated during the interview.

The Research Advisory Committee shall also consider the following points during the process of allotment of Supervisor/ Co-supervisor:

- (i) In case of interdisciplinary/multidisciplinary research work, if required, a Co-Supervisor from outside the Department/School/Centre/College/University may be appointed.
- (ii) An eligible Professor/Associate Professor/Assistant Professor can guide up to eight / six / four Ph.D. scholars, respectively, at any given time. However, each supervisor can guide up to two international research scholars on a supernumerary basis over and above the permitted number of Ph.D. scholars.

At any point, the total number of Ph.D. scholars under a faculty member, either as a supervisor and/or a co-supervisor, shall not exceed the number as prescribed above.

- (iii) In case of relocation of a female Ph.D. scholar due to marriage or otherwise, the research data shall be allowed to be transferred to the University/ P.G. College to which the scholar intends to relocate, provided all the other conditions in this Ordinance are followed, and the research work does not pertain to a project sanctioned to the parent Institution/Supervisor by any funding agency. Such scholar shall, however, give due credit to the parent institution and the supervisor for the part of research already undertaken. Such cases shall be decided by the RAC. The candidate has to pay prescribed fees to the university where she is being transferred.

(iv) Faculty members with less than three years of service before superannuation shall not be allowed to take new research scholars under their supervision. However, such faculty members can continue to supervise Ph.D. scholars who are already registered until superannuation and as a co-supervisor after superannuation, but not after attaining the age of 70 years. Date of meeting of the RAC for allotment of Supervisor/ Co-Supervisor shall be the cut-off date for deciding the age of the faculty member.

(v) A recognized Supervisor/ Co-supervisor who fails to publish any research paper over duration of five years shall not be eligible to enroll any new candidate under his / her Supervision.

Consent from the supervisor/ co-supervisor is not mandatory. RAC may allocate a candidate to the supervisor against his/ her vacant seat (s) even he/she has not given the consent. If supervisor/ co-supervisor denies to supervise the allotted candidate he/she has to submit valid reason for it and consent from alternate supervisor/ co-supervisor to supervise the candidate. If he/she fails to do so then his/her name will be deleted from the supervisors' list.

If a candidate permitted to work in a research establishment recognized by the university as a research centre through MoU then it may be required to take one Supervisor/ Co-Supervisor from the institution/ research establishment where the candidate is actually working. And respectively Co-supervisor/ Supervisor will be allotted from the UTD with which Research Laboratory has the MOU.

Provided that, a candidate may be permitted to carry out his practical work in a Research Institution/Research Laboratory/Laboratory of a University for the purpose, under the supervision of a Scientist/ Teacher of the Institution who may or may not be the Co- supervisor of the candidate.

In case of topics which are of inter-disciplinary nature where the RAC feels that the expertise in the research centre has to be supplemented from outside, the RAC may appoint a Research Supervisor from the research centre, who shall be known as the Research Supervisor, and a Co-Supervisor from outside the Research centre/ Faculty/College/ University on such terms and conditions as may be specified and agreed upon by the consenting Institutions/Colleges.

A candidate shall pursue his/her research at the allotted research centre under the supervision of allotted Supervisor/ Co-Supervisor.

12. Admission of International Students in Ph.D. programme:

The international students seeking admission in Ph.D. programme will be admitted directly (without DET) if they fulfil eligibility criteria as mentioned above in clause (2).

13. Course Work:-

(a) The candidates selected for admission in Ph.D. programme are required to apply for the Ph.D. registration on prescribed proforma downloadable from the university website (Appendix-1) along with the necessary documents and certificates. The duly filled registration form shall be forwarded by the research centre after verifying the payments of the following fees:

1. Registration fee
2. Ph.D. Course work fee
3. Research Centre fee for six months
4. Research Centre Caution Money (payable once only and refundable)
5. University Library fee for six months
6. University Library caution money (payable once only and refundable)
7. Student Services fee for six months
8. Research Laboratory fee for six months (where laboratory work is involved)
9. Identify card fee
10. Any other fee as decided by the university.

Duly forwarded Ph.D. registration form should be submitted to the University and a photocopy of the same form and documents should be submitted to the Research Centre.

All Ph.D. scholars, irrespective of discipline, shall be required to be trained education / pedagogy / writing related to their chosen Ph.D. subject during their doctoral in teaching/ period. Ph.D. scholars may also be assigned 4-6 hours per week of teaching/ research assistantship for conducting tutorial or laboratory work and evaluations.

The candidates admitted to the Ph.D. programme and submitted the Ph.D. registration form shall be required to complete the course work of 18 credits as prescribed by the University/ Research Centre in maximum two attempts. The course work shall be treated as prerequisite for Ph.D. preparation. All courses prescribed for Ph.D. course work shall be in conformity with the credit hour instructional requirement and shall specify content, instructional and assessment methods. The examination and evaluation scheme for Ph.D. course work shall be as per the examination and evaluation scheme of the University applicable to the other programmes of the UTDs.

**The Ph.D. course work shall contain the following courses:**

(i) Research Methodology	4 credits
(ii) Review of Published Research in the relevant field	3 credits
(iii) Computer Applications	3 credits
(iv) Advance course in the relevant subject	3 credits
(v) Research and Publication Ethics	2 credits
(vi) Comprehensive Viva-Voce	3 credits

The course on Research Methodology should cover areas such as statistical research methods, research report writing, etc. The course on Review of Published Research in the relevant field will be undertaken under the supervisor or the regular teacher of the centre of course work and the candidate has to consult the library or other resources to carry out the literature review. At the end of the semester the candidate has to submit a brief report on the literature review for evaluation, which will be done by the two examiners. The course on computer applications will include the computer applications helpful in the relevant subject.

The advanced course in the relevant field shall comprise the topics related to the subject of research. The course on research and publication ethics will cover the topics related with ethical issues in research and publications. The syllabus of the all the courses shall be decided by the concerned Board of Studies.

The final grades shall be submitted to the University. The University shall issue the certificate of the Ph.D. course work in the prescribed format (Appendix-II).

(b) The course work shall be conducted in the University Teaching Departments/ Research centers as approved by the Vice chancellor.

(c) A combined course work for Ph.D. students may be conducted for a single / group of subjects wherever possible.

(d) If found necessary, course work may be carried out in sister UTD/ Institute within the University for which due credit will be given.

(e) If a student obtains F or Ab Grade in a course/ subject, he/she will be treated to have failed in that course. He/she have to reappear in the examinations of the course as and when. conducted or arranged by the UTD in the next semester. Marks obtained earlier in continuous assessment may be carried forward and added to the marks obtained

in repeat end-semester examination to decide the grade in the repeat course. The student has to pay the prescribed fee for repeating the course. If he/she further fails in the course, he/she shall not be given another chance and he/she shall be out of the Ph.D. programme. No student shall be allowed to repeat the course to improve the grade if he/she pass the course.

(f) The candidate has to obtain a minimum of 55% of marks or its equivalent grade points in aggregate in the course work in order to be eligible to continue in the Ph.D. programme.

14. Registration of the Student:

After successful completion of the Ph.D. course work the students shall submit the copy of the certificate of the course work and synopsis of the proposed research work in the prescribed Proforma (Appendix-III) to the research centre and University within two months from the date of declaration of result of the Ph.D. course work. If Ph.D. scholar could not submit these documents within given time period, two months additional time may be provided by the University after payment of prescribed late fee. No further time will be given and his/her candidature will be cancelled.

The candidate shall make an oral presentation of his/ her proposed research work before RAC.

Note: On the request of the supervisor, Vice Chancellor may permit him/her to be present as an observer during the oral presentation of his/her candidate.

The RAC shall recommend the topic of research of the candidate for the Ph.D. degree. On approval by the RAC, the candidate shall be registered and enrolled as a Ph.D. student from the date on which candidate deposited the registration fee. Candidate will also be required to pay required fees regularly during his research tenure.

Provided that, if the RAC approves the topic and suggests a minor change in synopsis, then the candidate shall be allowed to submit a revised synopsis through the Chairperson, BOS and Dean of the faculty.

If the RAC does not approve/recommend a candidate for registration to Ph.D. programme, Candidate shall be allowed to make an oral presentation again in the next RAC. Provided that, if candidate fails to be present or satisfy the RAC for the second time, his/her case will be rejected/cancelled. In such case, the caution money deposited by the candidate shall be refunded.

15. In case of any dispute in the Research Advisory Committee regarding allied subjects of interdisciplinary nature, the case should be referred to the Academic council. The Vice Chancellor may constitute a committee in this regard and the report of the committee should be placed before the Academic council/standing committee for decision.

16. Monitoring of the Progress of Research Work:

The Research Advisory Committee will meet in the starting of each semester to evaluate the progress of the research work carried out and provide further guidance. The Ph.D. scholar shall submit his/ her attendance details of last semester duly verified by the Supervisor, a brief progress report on a prescribed format (Appendix-IV) on the research work carried out and fee receipt of the next semester. Ph.D. scholar shall appear before the Research Advisory Committee to make a presentation on the progress of his/her work for evaluation and further guidance. The Research Advisory Committee shall submit its recommendations along with a copy of Ph.D. scholar's progress report to the University. A copy of such recommendations shall also be provided to the Ph.D. scholar.

Each supervisor shall maintain an attendance register of all the research scholars working under him/her. Attendance details submitted by the Ph.D. scholar should be verified from attendance register.

In case the progress of the Ph.D. scholar is unsatisfactory, the Research Advisory Committee shall record the reasons for the same and suggest corrective measures. If the Ph.D. scholar fails to implement these corrective measures, the Research Advisory Committee may recommend, with specific reasons, the cancellation of the registration of the Ph.D. scholar from the Ph.D. programme

RAC may decide the change of Supervisor/ Co-Supervisor on the written request of the Ph.D. scholar with valid reasons and duly forwarded by the supervisor/ Co-Supervisor. In such case RAC may also permit minor changes in the topic of the research due to change of the Supervisor/ Co-Supervisor.

On the advice of the Supervisor and Co-Supervisor (if any) minor changes in the thesis title may be approved by the Research Advisory Committee at any stage of research.

17. Duration for Completion the Ph.D.:

The candidate shall put in at least 200 days attendance after completing course work in the Institution concerned or with the Supervisor.

The candidate shall be permitted to submit his/her thesis not earlier than three years and not later than six calendar years, from the date of registration. In case a candidate does not submit his/her thesis within six calendar years from the date of registration and does not apply for re-registration in time, his/her registration shall stand automatically cancelled.

Provided that, Vice-Chancellor may permit a candidate to get re-registered on the same topic on payment of re-registration fee. The minimum period of three years and attendance shall not apply to such reregistered candidates. A maximum of an additional two years can be given through a process of re-registration; provided, however, that the total period for completion of a Ph.D. programme should not exceed eight years from the date of registration in the Ph.D. programme.

Provided further that, the women Ph.D. scholars and Persons with Disability (having more than 40% disability) may be allowed an additional relaxation of two years; however, the total period for completion of a Ph.D. programme in such cases should not exceed ten years from the date of registration in the Ph.D. programme.

The women candidates may be provided Maternity Leave/Child Care Leave for up to 240 days in the entire duration of the Ph.D.

18. Evaluation and Assessment Methods, minimum standards for award of the degree:

The candidate shall submit a draft dissertation/thesis to the research centre prior submission of the research summary and the scholar shall make a presentation in the research centre open to all faculty members and other research scholars. The feedback and comments obtained from them may be suitably incorporated into the draft dissertation/thesis in consultation with the supervisor/co-supervisor.

19. (a) The candidate shall submit six hard copies and a soft copy of the summary of the thesis together with a list of research papers published/communicated for publication, if any, through his Supervisor to the Registrar about three months prior to the anticipated date of submission of thesis.

(b) The Supervisor shall submit a panel of at least six names of examiners actively engaged in the concerned area of research not below the rank of Associate Professor (Reader) or college Professor in a sealed envelope to the Registrar. Provided that the panel of examiners shall be obtained from the Head University Teaching Department/School of Studies/chairman Board of Studies of the subject concerned, in case the candidate is related* to the Supervisor.

(c) On the receipt of the panel of examiners from the Supervisor and summary from the candidate, the Registrar shall call a meeting of Examination committee of the subject concerned. Considering the panel submitted by the Supervisor/Head University Teaching Department/School of Studies/Chairman, Board of Studies, and the committee shall panel of six examiners. prepare a
