

ANNUAL QUALITY ASSURANCE REPORT

2018-19

RANI DURGAVATI UNIVERSITY, JABALPUR

The Annual Quality Assurance Report (AQAR) of the IQAC

(For Universities)

Institutions Accredited by NAAC need to submit an Annual self-reviewed progress report i.e. Annual Quality Assurance Report (AQAR) to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the IQAC at the beginning of the Academic year. *The AQAR period would be the Academic Year. (For example, July 1, 2018 to June 30, 2019)*

2.3.2 Students mentoring system available in the institution? Give details. (maximum 500 words)

Chemistry:- Yes, it is available in the Institution through the skill development centre of the university:

The Institution provides academic, personal, social support and guidance services. Guidance and counselling are provided to the students, both at the academic and personal level by the faculty. The process begins much before the commencement of the new session as the faculty members arrange career counselling programmes and try to convince the eligible candidates and their parents regarding the importance of higher education and the benefits combine. After getting motivation, students seek admission. They are then further guided for the right choice of

the programmes/courses/elective subjects. Special emphasis is laid on personal interaction between the students and teachers outside the classroom. The teachers who teach PG classes have been allotted Institution rooms to meet the students for personal and academic counselling. The Institution library plays an important role in this endeavour of acquiring advanced knowledge. The faculty members of the department act as a true friend, philosopher and a guide for the students.

6.2 Strategy Development and Deployment

6.2.1 Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

- Curriculum Development All departments are practicing autonomy for Curriculum designing, implementation, and evaluation.
- Departments are vested with the power of designing, developing and modifying the course contents as well as for the addition/deletion of courses as per the need. This is done through a departmental committee meeting- wherein a curriculum of all the courses are discussed at length- followed by peer review by experts and other stakeholders before finalizing syllabi for a particular course.

Teaching and Learning

- Class room teaching is supplemented by assignments, class seminars, practicals, Case Study, Field visits, Live Projects, Group Activities, and Quiz etc.
- Multimedia projectors and other ICT facilities are used to disseminate the knowledge.
- Innovative evaluation practices are undertaken by considering the classroom presentations, lectures etc.
- Project/internship is a compulsory 4 credit course in each of the PG course in most of the departments. Various workshops are organized time to time for enhancing the skills of students.
- Overall assessment of students by the external expert and department teachers is carried out during comprehensive viva voce examination
- Creation of learning environment in classes which includes critical thinking, case analysis and creativity.
- Remedial classes are organized for slow learners. The weak students are identified after class tests and during personal interactions with them. Extra classes are arranged for these slow/weak learners.
- An Orientation program is organized for fresher students every year before commencement of classes.
- Motivation lectures are organized regularly for fresher students.
- Annual cultural fest and sports fest and other co curricular activities are organized as per the declared schedule in academic session.

- Examination and Evaluation Ordinance 4, 5, 6 and 222 are in practice for the conduct of Examination and Evaluation.
- The CCE and end semester examination are conducted as per semester schedule. Three Internal Tests and one External Examination are conducted in each semester. In addition to the theory examination, evaluation of students is done through rigorous comprehensive viva voce at the end of semester examination.
- In order to show the examination answer scripts to the students, their Evaluation is done before the comprehensive viva voce.
- Transparent evaluation is ensured by compulsory display of Internal and Semester examination answer scripts to the students.

- Research and Development Research work of many faculty members is highly acclaimed. They are publishing papers in reputed national and international journals of high impact factors.
- UTDs organizes national/international conferences, seminars and workshops for teachers and students.
- Research laboratories are well equipped with adequate research facilities, modern instruments and equipments.
